

Carneddau

Large Conference and Training room situated on the ground floor with plenty of natural daylight.

- Ceiling projector
- Wall mounted projection screen
- Full PA system with lapel and wireless microphones
- WiFi internet connection
- Floor power sockets
- Blackout blinds for presentations

Carneddau also hosts an Exhibition Hanging Rail System which can be used to display framed photographs and paintings.

This room opens up into Migneint with two sliding doors. It's ideal for large conferences and training sessions with breakout rooms optional within the building. The two rooms can be connected via a video link. Side doors open out onto a courtyard.
