Background

Glasdir is a Social Enterprise that specialises in creating the right environment for a wide variety of businesses to succeed by providing first class conferencing and serviced office facilities.

Whether you need a single desk for a day or an office for a number of years, we have the right solution to suit your business.

Location

Glasdir is located right in the heart of North Wales in the market town of Llanrwst in a stunning riverside location. The centre is conveniently placed on the A470 and only a short drive from the A55 and is

easily accessible from across Wales and the North West of England.

Close to local amenities – a five minute walk into the town centre and local bus and train stations are only minutes away.
